

Stonegate Buy-a-Brick Program

The Stonegate Buy-a-Brick Program is part of the Park District's program, except the bricks are installed in our "patio" located at the north Windsor entrance near Kensington. All the money raised will be identified by the Park District for trees and improvements to our Stonegate Parkways. Bricks may be purchased for \$100 for two or three lines of lettering, with each line having a maximum of (13) character spaces. Bricks are ordered in 1 - 2 groups each year and installed in either the spring or fall time periods. Once the Beautification Committee receives your order, they will be grouped into one of these seasonal purchases. You should target to turn your orders in by Dec. 20th or May 1st in order to meet the Park District's deadline.

Your personalized brick can show family connections, propose marriage, honor loved ones or celebrate anniversaries. Examples of possible inscriptions are shown in the following:

IN MEMORY OF JOHN SMITH	THE SMITHS TOM AND MARY
BETTY & BILL "I DO" 10-10-03	THE SMITHS 25 YEARS IN STONEGATE
BOB HAPPY 50 TH	THE SMITHS BETTY, BILL, BOB & JANE
